

GATEWAY TO GOLF

Women United's Gateway to Golf event offers women of all experience levels — including beginners — the opportunity to participate in a nine hole Scramble Tournament or learn from the pros at our Get Golf Ready clinic. Over 200 women participated in the 2023 event held at Transit Valley Country Club.

Women United is a diverse, vibrant community bound together by a powerful sense of belonging to each other, to the mission of United Way and to the community we call home. We are committed to making life better for our neighbors, especially helping women and children.
