

BIRTHDAY-IN-A-BAG PROJECT

Imagine you're seven years old and today is your birthday. Now imagine that the place you call home is a shelter. You do not have your own room with toys or your own kitchen table where you sit and do homework. Imagine that you will not have a birthday party or, worse, that you've never experienced such a thing.

United Way's Birthday-in-a-Bag Project is for children living in safe shelters or other temporary living facilities. With your generous donation of time and basic birthday party supplies, you will make a true difference in a child's life in our community.

United Way will provide a list of suggested birthday party supply items to include in the bags. If you would like, we will come and speak to your team about what this project means to the children and families in our community who receive these bags.
